Four Way Test
of the things we
think, say or do:

Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
Will it be **BENEFICIAL** to all concerned?

Five very pleasant and intelligent young Doctors in Training visited our Club.

Before the doctors were formally introduced, members were challenged to learn as much as possible about each doctor over dinner. This worked well and the introductions were full and interesting.

The doctors then filled in the gaps. And what an interesting group we have!

The purpose of the evening was to award our scholarship and we did this to Jessica Pink. James Maloney, Lucas Quinn, Samantha Terry and Stephanie were interviewed and each of them performed well.

We also welcomed the Principal of Batemans Bay Public School to the evening and let him know that we will be continuing to support the Breakfast Club with another donation of \$1000. It was a great evening, with a Toast to Australia Rotary Health, a visit by Jenni North which is always fun, and the evening concluded with us thinking of the people of Christchurch
