Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

MAUREEN'S MISSIVES

Andrew Grey – Moruya Fire Control was our guest last week. Andrew talked to us about the different types of fires and fire extinguishers. Andrew explained to us, the various classifications of fires, and the type of extinguisher to use for each. I personally was not aware of the number of extinguishers out there. Which to use on each type of fire, and the outcome of using the incorrect one. He also explained the correct process to use when using a fire blanket. How to protect yourself and to place the blanket. Where to place the fire blanket and/or fire extinguisher. He also emphasised that if we cannot get it under control within a few minutes get out and call 000. Property can be replaced, we cannot. I know I learnt a lot about how to respond to a fire.
