Changes to Format of Batemans Bay Rotary Meetings

After a lot of discussion on this issue, the consensus of opinion is to change our meeting structure to a formal (dinner) meeting on alternate Thursday nights and to have flexible meetings such as Zoom, social evenings at venue (maybe the Community Centre), have fun nights such as trivia, poetry and plonk. The options are extensive.

We will have guest speakers at some of our Dinner Meetings and possible on Zoom meetings.

The overall feeling was to have some less formality and get back together in person as soon as possible. As with all changes this will be reviewed to ensure the needs of the Club are met.

Chris Watson, President Elect.

BREAKFAST CLUB

Volunteers are asked not to return to Breakfast Club for the duration of this term. This is for the protection of the children and volunteers. We will be advised when to return.

Following the bush fires, we were contacted by Francis Ventura, Humanities Teacher at Caldwell High. His QUEST Leadership Group and members of the school community wanted to help children who were affected by the fires. Through Alan Russell they were "partnered" with BBPS. This weekend they are bringing down their care packs and gifts for the children of BBPS. A wonderful and caring project. Thank you Alan for arranging it!
