**Four Way Test
of the things we
think, say or do:**

Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
Will it be **BENEFICIAL** to all concerned?

As I am writing this, across the road is the Road Closure Sign for the Kings Highway. We think of all who have been affected by the bushfires and congratulate the brave, tired, fire fighters, who put their lives in danger to protect us. We toasted them on Thursday evening, as we owe them a great debt of gratitude. At the Board Meeting this week it was agreed to give \$5000 to BlazeAid. BlazeAid is a volunteer organisation that works with families and individuals in rural Australia after natural disasters such as bushfires. They work alongside the families to help clear, repair or rebuild fences and other structures that have been damaged or destroyed.

Reconstruction of the Preschool in the Philippines is well under way. They are calling the building a Rotary Learning Centre and the picture International Director Vere Gray is holding up shows the Rotary Wheel, which has been painted on the roof. The building will be used for many purposes when not in use as a Preschool.
