**Four Way Test
of the things we
think, say or do:**

Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
Will it be **BENEFICIAL** to all concerned?

The cancellation of a Guest Speaker gave us the opportunity to have a Club Night last Thursday evening.

There was plenty to discuss including-

- Proposed signage along the River defining the history of Batemans Bay
 - A Film Night – (details below)
 - A Sausage Sizzle at BBHS for R U OK
 - The visit of MHERV – (details below)
 - The Travel Expo and raffle ticket sellers
 - The history of the Do-Nut Van and an extended discussion by members on the future of La Van.
- Thank you to Rotarians who volunteered for any of the above as committee members or on the various rosters as without you we would not be able to run these projects.

We meet at the Soldiers Club Thursday evenings
6 for 6.30pm

Apologies and Guests please advise **CHRIS WATSON**

BENEFITS OF A GOOD VOCABULARY!

I recently called an old Engineering buddy of mine and asked what he was working on these days.

He replied that he was working on "Aqua-thermal treatment of ceramics, aluminum and steel under a constrained environment."

I was impressed until, upon further inquiry, I learned that he was washing dishes with hot water under his wife's supervision.
