**Four Way Test  
of the things we  
think, say or do:**

**Is it the TRUTH?  
Is it FAIR to all concerned?  
Will it build GOODWILL and BETTER FRIENDSHIPS?  
Will it be BENEFICIAL to all concerned?**

*There was much wisdom at our meeting on Thursday evening from a young person and, I am sure George won't mind me saying, from an older person. Elise Toyer is on the threshold of an exciting career in medicine after being accepted at the University of Adelaide and we wish her well. The RYLA experience is always 'way beyond expectations' covering topics such as leadership, motivation, goal setting, value-based decision making,*

*confidence and self esteem. Elise was told to listen carefully to what people were saying and to explore new experiences. George Browning spoke to us about Palestine and his experiences on his recent trip there. George gave us a brief history and his insight into the problems in the area is deep. He was very hopeful, though, that the younger generation will have a greater global view of humanity and not be hampered by the past.*

President elect Mark Daniel Maloney announced the 2019-20 theme – *Rotary Connects the World* – to incoming district governors at the International Assembly in San Diego, US, on Monday, January 14.

“Rotary allows us to connect with each other, in deep and meaningful ways, across our differences,” he said. “It connects us to people we would never otherwise have met, who are more like us than we ever could have known. It connects us to our communities, to professional opportunities, and to the people who need our help. Through Rotary, we connect to the incredible diversity of humanity on a truly unique footing, forging deep and lasting ties in pursuit of a common goal. In this ever-more divided world, Rotary connects us all.”

**After 26 Vaccine Derived Polio Cases in Papua New Guinea in 2018, Health Department Leaders in PNG raised the bar even further, when it was announced the vaccination campaign will now include all children under 15 - not 5, as originally announced**
