Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

7 June 2018

Peter Kable enlightened us on Thursday 31 May with a fascinating insight into Timor Leste (East Timor) and the great success of RYLA (Rotary Youth Leadership Awards) in helping to develop the impoverished country.

He began with a look into the historical changes that took place from Portuguese dependency, through Indonesian rule to the transition to Independence via Australian led peacekeeping occupation.

Peter then presented a video produced in Timor Leste describing the outcomes and benefits that Rotary's introduction of RYLA has brought including education in healthy food production and eating, self development and conflict resolution.

As President Maureen commented afterwards, very often the talks given by our own members stand alongside those of our guest speakers in terms of interest and presentation and this was certainly true in Peter's case.

At the Crossroads....

At Club Assembly we started the conversation as to where the Club will be within five years. We looked at our present age distribution and how this will impact upon the Club over time.

Comments were given on all aspects of Club life which will guide decisions for the incoming Board. **There will be a follow up on June 14th** and the conversation will continue into the new Rotary year.

Good thoughts, interesting ideas and considered opinions continue to be welcomed.

Coordinated skills were tested and we need to do more work in this area!!
