MEETING DATES

Youth Presentation at the Village Centre

The many Youth programs of Rotary were showcased at the Village Centre on Tuesday. It was a colourful and professional display and for that we have to thank Alan Russell. It was great that Rotarians helped out and popped in during the day. Special thanks to Maureen and also John Harper for his IT expertise. This was a good opportunity to let the community know about Rotary. Thank you to the Interactors, Byron and Tait and to our Exchange Students Baptiste and Taryn. It was the first time we have attempted anything like this and the feedback was all positive.

Arch Kumph said ...

The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it; if we rear temples they will crumble into dust; but if we work upon immortal minds ... we are engraving on those tablets something that will brighten all eternity.
