**JEFF'S JOTTINGS**

It was disappointing that the Club Visioning Session planned for Saturday 6 May had to be cancelled. Only a third of members had indicated that they would attend. The session required four Facilitators travelling from Canberra and back on the day. It was not worthwhile as having so few members there would not be a true consensus of the Club.

However, Maureen will collate all surveys and comments pertaining and all issues will be discussed at the Club Assembly which is now planned for Thursday 8 June. Hopefully as many members who are able will attend.
