The District Governor Margaret Hassall, who likes to be called DG Hass, visited the Club on Thursday evening. She is no stranger to the area, having been brought up in Nowra. DG Hass visited her grandparent's old farmhouse for the first time in many years as she drove down the coast after visiting five Rotary Clubs in four days! Margaret is a retired High School teacher and now lives in Cooma after teaching there. She gave us an overview of what we can expect at the District Conference in Cooma on the weekend 5-7 October. Many interesting Speakers are booked. Pres. Alan had read a very touching and sad poem about the drought and DG Hass gave us an update on the combined Rotary Drought Appeal with Channel Nine, which has now reached \$10 million. The difficulties of membership was spoken about and after presenting the Club with large magnetic sign, it was decided upon that our hard working Membership Director Nicole should have it for her car. Don't forget to wave and beep as you see her driving round Batemans Bay! We were delighted to have Jen North with us for the meeting and thank you Jen for the above photos.

Ireland's worst air disaster occurred early this morning when a small two-seated Cessna plane crashed into a cemetery. Irish search and rescue workers have recovered 2826 bodies so far and expect that number to climb as digging continues into the night.
