Four Way Test
of the things we
think, say or do

Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
Will it be **BENEFICIAL** to all concerned?

PE Chris Watson ran the meeting on Thursday evening. It is looking like this lockdown situation is the catalyst for change as we go into the next Rotary Year. It was good to hear members opinions on how they would like the Club to go forward. Chris is awaiting replies to her email so she can collate the information for the next Club meeting at the end of May. Please reply as soon as possible.

Paul in Mogo lost his home, contents and tools in the bush fires. It has been difficult for him to work as a carpenter since, so Rotary has assisted him by purchasing some new power tools. In February we donated a new trampoline to a family, who had lost their home including the children's Christmas present of a trampoline. They have erected the new trampoline in their rented accommodation and the kids have been making good use of it during quarantine restrictions.
