SCHOOL HOLS – B/CLUB RETURN 16/10/17

Our Club was “special” last week as we enjoyed a visit from the “actual” District Governor, Steve Hill. DG Steve told us that even though it was his second year on the job it was even busier. He brought to our attention many projects the District has been working on. Re-districting was one topic. This will come into effect from 1 July 2020 and it is expected our District 9710 will merge with 9700 and become District 9705. This will have no effect at club level except that Young will be the centre and not Canberra as it is now. Rotary is working on building partnerships with other organisations, for example PCYC. Managers of the organisations are requested to join Rotary to build on these partnerships. Our most successful partnership is with the Bill Gates Foundation. Membership was discussed. Paul Harris said membership needs to mirror the Community, however, at present this is not so as only 30% of the membership is women plus the cost can hinder membership. Each Rotarian is requested to plant a tree this year and, to forward this cause DG Steve presented Pres. Maureen with a couple of eucalypts.

SERVICE RECOGNISED AT DARWIN INSTITUTE

RI General Secretary John Hewko, Marga Hewko, PDG Joe Scorer & RI Director Noel Trevaskis

The Rotary Institute was this year held in Darwin. The Institute forms part of the training session held each year for the District Governors Nominee, District Governors Elect and debrief for the immediate Past District Governors.

The final two days are guest presenters on various Rotary issues and stories along with Reunion Dinners for Past District Governors.

Our Joe Scorer was District Governor of D9700 for the year 1986/87. At the Institute this year, he was the only attendee from his class.

The final day of the Institute, Rotary International Director, Noel Trevaskis, was doing a call of years of service. The attendees were asked to stand when the number of years they had been in Rotary was called. The numbers progressed 5 – 10years, 11 – 15years, 16 – 20 years and so on it went until we reached the longest serving at 55 years.....there was our Joe Scorer!

What an amazing man! The weekend spent at the Institute was so inspiring, the stories this man can tell and his recall of names and dates of events is incredible.

Pres. Maureen Manning

This year's theme is "Rotary Making A Difference" and PDG Joe Scorer has certainly made a difference!!
