**Four Way Test
of the things we
think, say or do**

Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
Will it be **BENEFICIAL** to all concerned?

We were all amazed at the work that Maureen has done on the Bush Fire Recovery in the name of Rotary, when she gave her presentation on Thursday. The Happy Hub was opened a couple of weeks ago and has been well used by Mogo residents. At present the counselling centre is open Tuesday to Thursday with an on site counsellor. Internet access is available as some bush fire victims do not have even a landline phone yet.

*****END OF YEAR CHANGEOVER*****

Partners Night – Invitation sent by email.

This time last year we made a \$10,000 donation to Tathra Fire Brigade for the construction of a training room, which will be available for area wide RFS and when not required by RFS for local Tathra community to use. A \$170K State Government grant was secured and building is expected to be completed by October 2020.

We welcome Deborah Buchanan into our Club. It is a strange time that we are living in at the moment as we had not met Deborah, only on Zoom so it was pleasant to meet face to face for coffee. Deborah is looking forward to meeting everyone.

She will be bringing experience from her previous Club, the Rotary Club of Moss Vale.

Dave and Jeff must be showing their age as when they went down to town to adjust the Rotary Clock, a young chap from Canberra came up and offered to lend a hand!

What a fantastic opportunity! Congrats Paula. We can't wait to hear how the US experience goes next year.

Bay High principal Paula Hambly accepted to Harvard leadership program
Paula Hambly is one of three principals in Australia to receive a scholarship.

Perhaps it was the written endorsement from the Club that helped the BBHS Principal Paula Hambly secure a Scholarship to Harvard in July 2021. She was the only public school Principal accepted in Australia and we look forward to hearing about her experience.
