A Year Like No Other – Presidents Report.

Well I started making notes preparing my first bulletin and was up to 2 pages and thought how has Pam done this? There has been so much happen from the very start of July 2019 when she first took hold of the reins to a big finish on the handover to the new President Chris Watson on the 25th June 2020. with all the in-between bits we have had drought/bushfires/floods and pandemics and that doesn't even cover all of our markets, our visiting Rotarians, our social evenings, our Donut making, Australia Day, all of the international achievements by our members. The Whole club has participated in so many things throughout the year, having Batemans Bay Rotary on National TV and radio many times over. So you can all view the presidents report on the website see the link that John Harper so kindly sent out. We gave 3 Sapphire Pins out at our change over and all were well deserved Pam Thorpe, Alan Russell, and Maureen Manning.
