Four Way Test of the things we think, say or do:

*Is it the **TRUTH**?*

*Is it **FAIR** to all concerned?*

*Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?*

*Will it be **BENEFICIAL** to all concerned?*

What if....?

At the Club Assembly this week members looked at a number of 'What if' questions as we continue to gather information for our new Strategic Plan.

The evening was a 'working dinner' with each table having to complete two tasks. The first was a Club Audit used as part of the visioning process which Clubs undertake. This started the conversations and the results should be interesting.

The second part was the discussion of the 'what if' scenarios which were presented. Again members had the opportunity to discuss ways forward for the Club and items which had not been discussed for a long time.

We have now completed two aspects of the Crossroads Project. The third part of this process involves the Board.

Each Director has until 17 July to develop their Objectives for the upcoming year and to present them to the first Board meeting of the new Rotary year. These will be developed from the initial workshop report and what Directors heard on Thursday night.

The final stage of the project process will be in the second half of July when the Objectives for the upcoming year will be presented along with those being put in place for the next five years.

By August our Strategic Plan will be in place and guiding our work.

Thank you to everyone for being open and willing to contribute ideas.

President Elect - Alan Russell
