Four Way Test of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

JEFF`S JOTTINGS

This week's Bulletin has three pages. The third page contains a letter from ESC regarding a draft review of their Pathways Strategy. I encourage all members to read and act on this.

Once again, I should like to remind all members that if you are not attending the meeting you are required to apologise as below. The Club cannot afford to be picking up the cost of your meal!!

We have had some very interesting Guest Speakers, especially in the last two weeks, and I should like to thank Maureen for organising them.

We look forward to celebrating Baptiste's birthday next week

Sandy Miles – Australian Hearing

Sandy is the Manager of AH, covering a large area from Port Kembla in the North down to the Victorian Border. AH clients range from four days old to over one hundred years. Hearing loss is more prevalent in this present older generation and more than 60% of the over 60's have some form of hearing loss. She encouraged us to act as soon as we realise that we have a problem with our hearing. However, this may only be when the family asks us to turn down the volume on the TV!

Don't forget to check out our web site to find the deliberate mistake. First to email to John Harper wins the prize!

INFORMATION SESSIONS FOR MEMBERS

The plan is to hold a series of "get-togethers" (including partners if they wish to attend) at which different topics would be addressed. Learning about the **Avenues of Service** and how our club operates in each, is one aspect, but the list could go on, as we know.

Meetings are to be held in Sept, Nov, Feb and May.

Dear President

Review of Pathways Strategy

As you may be aware, Council has commenced a review of its Pathways Strategy. This project involves an assessment of existing paths and identifies possible future requirements throughout Eurobodalla.

As your members may be regular users of Council pathways for transport or exercise, we are inviting your club and its members to be involved in this project to make an important contribution to the long-term provision of paths across the Shire.

The draft strategy is now on exhibition to seek community views and comments. I would like to encourage your organisation and its members have their say by:

- reviewing the draft strategy
- providing information on pathways that have not been incorporated in the strategy
- identifying why there is a need for any additional pathways
- completing and encouraging others to complete a short survey on pathway use online at www.surveymonkey.com/r/GS3BQCK .

The draft Pathways Strategy will be available for review at Council libraries, the Moruya Administration Office and the 'On Exhibition' page of Council's website from 15 August until 24 September 2016.

Feedback can be submitted by email to council@esc.nsw.gov.au, by using the feedback form on Council's website (www.esc.nsw.gov.au) or via post to The General Manager, Eurobodalla Shire Council, PO Box 99 Moruya NSW 2537, with the subject line 'Pathways Strategy Review'.

Submissions should be returned to Council by the close of the exhibition period, 24 September 2016.

Should you require any further information, please phone me on 02 4474 1006.

Yours sincerely

Royce Toohey
