**Rotary Markets Sunday 21 October**  
 After the storm and heavy rain late Saturday and overnight, many Market sites cancelled but it was a shame as it did turn out fine and sunny as Sunday morning progressed. Market Manager Jeff thought he would have to cancel as there was just the Rotary Van there at 6.45am but then a few Market Traders trickled in and we had about twenty stalls in total. Pres. Alan had his Eurodalla Meals on Wheels Hat on and was running a stall. We told him that if he had any complaints he would have to write to the Rotary President! Peter Kable, Maureen Manning and Tait Manning were on the Donut Van and Market Assistant Bruce Clarke also towed the van. Not our most profitable weekend but we cannot help the weather.

"Tactile children's books make it possible to see through their fingers." - Ulrich Betzold 📖 More than 1,600 hours of work by Rotary members in Germany culminated in a Braille adaptation of Eric Carle's beloved story, "Do You Want to Be My Friend?" which incorporates a variety of fabrics and plastic animal toys for visually-impaired children to experience the story in a whole new way. #LiteracyDay
