The theme for this Rotary Year is “Be an Inspiration” and we heard from someone on Thursday evening who is a true inspiration. Walter Thomasson runs the Music and Movie Program at Maranatha. Rotary donated MP3 players for the music program and the surround sound system for the Ritz Theatre. Walter told us how such a simple music program had changes the lives of the dementia patients making positive mood changes, they are less agitated, able to relax and settle to eat meals.

The two weekly movie matinees he runs at the Ritz Theatre give the residents the full cinema experience. The red velvet curtains part and the movie begins! Residents are issued with a programme so they know “what’s on.” Most are old black & white movies and there is popcorn, drinks and trailers for the next week! Residents are transported back to happy times and are known to tell visitors not to come to see them on matinee afternoons! Walter’s passion comes from his love of the cinema and we hope he continues his work for many years to come.
