Last Thursday's meeting was held at Corrigan's Cove and the guest Speaker was the Mayor of the Eurobodalla, Liz Innes. Liz apologised for not catching up with Rotary sooner as she comes to the end of a very busy and exciting year as Mayor. She spoke about her father, Merv Innes, who was one of the founding members of the Batemans Bay Rotary Club and growing up being a daughter of Rotary and Quota.

She is looking forward to the Council and Rotary working together on the \$160,000 Observation Point project and the Rotary Trail to Holmes Look-out

The Mackay Park Project will deliver something outstanding but also something realistic and achievable. The \$47million project cannot deliver everything that the community is wanting but will get close.

We have massive State Government Infrastructure Projects in the very near future - \$200million for the Clyde Bridge and \$100million for the Nelligen Bridge. The RMS will be responsible for the revigoration of the foreshore after the old bridge is dismantled and exciting plans are in the pipeline.
