Last Meeting 2714 Barefoot Bowls Fundraiser for RYDA 2015

What a beautiful night...the evening was calm and most pleasant.

What a beautiful night...watching teams of people having fun and sharing good times.

What a beautiful night...the raffle prizes were many and the finger food was good.

What a beautiful night...in that we raised over \$1100 for RYDA 2015.

What can we say about Joe Scorer, and his team...beautiful men?... may be just successful and amazing. I feel that they should be proud of their achievement so the 2015 Year 11 students of the Shire will be able to have the RYDA course presented once again to a high standard.

Thank you to the RYDA Convenor (Derek Anderson) and the President of the Moruya Club (Keith Armstrong) for being present.

I know that members of the Youth Committee have been meeting with Derek to establish a new look programme for 2015. Thank you.

From the President

Time to look back so to look forward

I was honoured to be inducted as the President of the Batemans Bay Rotary Club in June. It does seem a long time ago but in this edition I wish to reflect upon this half of my term.

The Club and my Board have worked hard and shared many ideas in various forums. I am pleased that many ideas have been developed or are under serious discussion. I am pleased that at Board meetings we can stop and discuss topics in depth, this is healthy for our future.

I feel that we have done a great deal over the last few months from establishing an interesting programme (*hope you have enjoyed the variety of our speakers*), the community tasks we have completed, the development of our Strategic Plan and now its introduction, the selection of two community projects which will focus our attention in the new year, three new members (*Frances, Margaret and Sue*), the further support for our Philippine connections and an update on our International programme, the display cabinet, a new letterhead and the work on a new banner and possibly Club Badge are but a few tasks completed. But the development of our Web Site must be the most significant part of our successes in this period. (*Thank you to John Harper, and to Vere Gray and David Ashford who had worked hard to have this developed over the last few years.*)

Coming up in the new year we have many tasks and milestones including cementing our Community Projects, our 55th Birthday, Rotary's 110th Birthday and building upon all that we have as 'regular' events.

Our Club is a busy one and the part you have played since June has been very much appreciated. Let us keep moving forward so we have a stronger Club to pass over to PE Vere.
