## Last Meeting 2716 Christmas Dinner

It is always good to have a time to just catch up and to enjoy each other's company. This was noted in our Visioning exercises and we have it within our Strategic Plan, so this week's dinner was to allow for a good time and fun to be shared. I was pleased with the result and I hope that you enjoyed the Christmas Dinner.

There were prizes given to those who demonstrated skills. I am not sure that many of the Directors will be wrapping presents this year! This may be left to the partners as demonstrated by Jill!

The gifts wrapped were given to Vinnies for children in need of some Christmas cheer.

The partners who completed the Christmas card jigsaws did so very seriously and there were indeed the right number of pieces after all.

We were pleased to have Bev from the Breakfast Club with us and to be able to present her with two full boxes of items for the Pantry at the Breakfast Club was special.

The night did have a focus on children with the gifts which were wrapped and the Breakfast Club donation. Let us keep all children as a priority this Christmas.

## From the President Rewarding service

Our Club has a tradition of recognising 'Service' which members of our Club give, and also members of the community and spouses who have lived up to the ideals of Rotary.

At our Christmas Dinner it was a pleasure to present Paul Harris Fellowships to Maureen and John Law for their service to the Club and to our community where they have lived the ideals of Rotary daily for many years.

Maureen and John have been quiet 'doers' in many areas of the community and they have done the same when asked to do so by the Club. They have lived the Objects of Rotary and we congratulate them on their award.
