**Meeting 2717
Race Day**

What a great day and when we present the money to the Oncology Committee on February 11th, the smiles should be wide and the pats on the back well deserved.

I wish to thank those who represented us on the steering committee (Vere (Chair), Chris, David A, Robbie) for the wonderful work. I attended one meeting and was very impressed by the team's devotion to the task, and on the day by the great atmosphere, the teamwork and the success of each aspect.

Thank you to all who were in some way able to contribute to this event-shifting furniture, selling raffle tickets before and on the day, coordinating various aspects of the day, serving meals, sponsoring a race, decorating tables, or cleaning up afterwards.

A wonderful combined Clubs event which is now well established on the social calendar at Christmas.

**Last Meeting 2718
Presidents home**

It was a delight to welcome members and partners to our home last week. We had a most pleasant night chatting and enjoying lovely food, a glass of wine and the company of each other.

Our Club is about Service to others but it is important that we spend time together and get to know each other. I look forward to this happening this week at Korner's Park on the north side.

**From the President
Getting started again**

After a break it is sometimes slow to get started again and to pick up where we left off. But we need to look ahead and think about the tasks left to be completed as part of our Strategic Plan for this Rotary year. We also need to look ahead and help President Elect Vere in her planning for next year.

We started with a gentle evening of fellowship and we shall have another gathering this week and the venue is Korner's Park. Please join us and let Vere know the numbers and what you will be contributing-salad or dessert.

This is the park which we hope will be the 'cornerstone' of our Rotary Parks for the Batemans Bay area. We will be working hard this year to move this project along as well as our second community project-to make sure our "Swags Scheme" is ready for the winter months for the homeless people of our area.

We will be working on developing our EarlyAct and Interact Clubs, promoting our Youth events to P&C committees and looking at our own Club promotion with the possibility of a new banner, a new Club dinner badge, and finalizing the purchase of a gazebo with our name boldly displayed. We will also look at our links with those we have hosted and those we have visited by trying to create wall hangings of all the banners we have
