Meeting 2725 Rotary Youth leadership Awards (RYLA)

Those attending know have a really sound understanding of what RYLA is all about. Our guest speakers Jacob and Ella gave us an excellent overview of the program and how it has benefitted them since that time. Ella even mentioned that others had told her it would be the best thing she has done in her life – she qualified that by saying her marriage day to Chris was right up there as well.

The RYLA program is hectic with up to 14 hours of lectures and activities each day. The speakers come from a variety of leadership backgrounds, business, community, sporting and government. Both indicated the Rotary example of Shelterbox as an excellent example of how a community can get together and achieve the seemingly impossible. Our speakers were also impressed with the Dinner on the second last evening were many of the presenters made themselves available to the attendees – providing advice and direction that was greatly appreciated.

Jacob also outlined some of the traits of leadership including; Ambition, Gravitas, Self-assurance, Resilience and Charisma.

Both our speakers were terrific and certainly enthused our visitors from Batemans Bay High and St Peters to

A challenging six day program, D9710 RYLA offers a unique opportunity for motivated individuals to access some influential and inspirational speakers and trainers. With presentations, workshops and exercises, attendees will be introduced to concepts of effective leadership including:
