## Meeting 2730 Pride in Workmanship Awards Do it once-Do it right

Thank you to Hugh Scott (Vocation Director) and his committee for the nominations of well deserving people from our community for our Pride in Workmanship Award.

This was the second set of nominees for this year and another honour to be able to recognise each of them.

**Vocation Director Hugh Scott presents Joycie with her award**

Joycie Neilson from Joycie Flowers has worked as a florist in the area for a long time and is fulfilling her dream since being a 4 year old girl. Joycie and her husband Michael were able to join with us for the evening.

**President Alan presents the award to Jessica in front of her Manager Anita Smith**

Jessica Bennett from Flight Centre was recognised for her service to the community as an outstanding and a caring travel agent who is regarded by her Manager Anita as an "asset to the travel industry".

## From the President Our Partners

As part of our Visioning for the Strategic Plan 2014-2017 there was comment to include our partners more in our programme. This year we have certainly tried hard to do this.

It is always wonderful to have our partners join us for events and to hear speakers as we have done in the last two weeks. We cannot thank them enough for allowing us to do what we do.

The feeling in the Club is warm and hospitable and I hope that this is especially so when our partners are with us.

Long may this Fellowship be a hall mark of our Club and enjoyed equally by Rotarians, and their partners.

## REMINDER DOING OUR BIT!!!

### COMMUNITY GRANTS

**Applications close 1 May**

The Rotary Club of Batemans Bay already provides funding for a variety of smaller local community activities and initiatives. However, the *Community Grants Scheme* has been introduced to identify significant major projects in the Batemans Bay local area for possible financial support.

Under this scheme organisations or groups are able to apply for significant funding to develop community infrastructure, implement community service programs or purchase major items of equipment that are of direct benefit to the local Batemans Bay community.

As a guide, suitable projects under this scheme would seek funding from \$2000 to \$25000 and would involve funding from a variety of other sources in addition to Rotary Club funding.

Please remind groups in the community that applications close on 1 May.
