Meeting 2735

2014 Mayors Writing Competition

Four young people joined us to read their winning entry in last year's Mayors Writing Competition.

As Rotary supports Literacy around the world it was thought good to support the Mayors Writing Competition by hosting these talented writers at the Club.

Cara Earلمان and Daisy Ware now attend Year 11 at Carroll College and were two of the winners in the 15-18 category.

Holly Last and Thomas Brown now attend Year 10 at St Peter's Anglican College and were winners in the 12-14 category.

The pieces were very different and powerful, and the writing styles varied. The arguments and story lines produced by such young writers were amazing.

It was good to see that the only poem featured on the evening was written by Thomas, who won the Syd Haynes Creative Writing Award last year.

Although nervous, the four were fine ambassadors for their schools, their family and themselves.

From the President FIN...

I am sometimes asked what is the purpose of us meeting each week. There have been suggestions, from time to time, that we should meet once a fortnight, but I am not sure that this would not make our Club stronger.

This year we have tried to have a variety of meeting types and a variety of speakers. I am happy with what we have been able to provide the members in content and opportunity. But as we near the end of this Rotary year these three things guided me;

F...Fellowship. I tried to structure the meetings so business and speakers interfered very little with the enjoyment of the meal and of others company.

I...Information. I tried to make sure that as much information as possible was passed onto members so everyone knows what we are doing as a Club and can speak to others wisely and with good knowledge.

N...Networking. I tried for you to get to know each other over pre-dinner drinks and dinner, so to build up your community contacts and friendships...why Rotary started!

As the **FIN**ish approaches for this Rotary year, I hope that we may value the regular weekly meetings, and continue to celebrate our Service above Self, our Fellowship, share the necessary Information and build the strong Networks amongst each other.

Our Youth... and we seek Counsellors

Last week's meeting was about our Youth as writers and creative leaders in our community.

Next week is about the Youth who attended RYPEN as candidate or counsellor, who attended RAIC to learn about Government, and who was selected for YEP so to spend a year overseas on exchange.

We have a major focus on Youth Service within our Club and it is a major 'spend' in our Budget.

Please come and meet these inspiring young people. They have experienced the various Youth programmes we are able to offer.

WANTED Counsellors

The Board is looking for

Expressions of Interest

from club members who may be interested in being a Counsellor for a young person on Youth Exchange or for a team of young people attending MUNA.

*Counsellor for our Incoming Youth Exchange student- Magnus Zarlring.

Someone to manage Magnus' stay.

*Counsellor for our Outgoing Youth Exchange student-Taryn McDonald

Someone keeping in contact with Taryn during 2016

*A Counsellor for each of our MUNA Teams

To be in Canberra from 15-17 August to manage one of our two teams competing in MUNA.

I am able to explain each of these roles and the responsibilities which you would have should you be interested.

Please contact me over the next fortnight to discuss what is involved in these four positions.

The Board will confirm these roles at its June meeting.

We also need to confirm Home Hosting for Magnus...please let me know if you can accommodate him at any time during his stay.
