## Meeting 2736

Vocational visit-Moruya Hospitals new Oncology Unit and Dinner at the Nepalese Restaurant in Moruya

*Hugh Scott has been an excellent Director and Officer of this Club.*

This week his vision for Vocation came to the fore once again with his final planned event for the year, and as a Director. An excellent visit to the Moruya Hospitals new Oncology Unit was arranged.

*Our thanks to the Hospital and Edwards Construction for making the necessary arrangements for us to tour the site.*

What an impressive facility it will be once completed, and we should be proud of having contributed to its development through our fundraising at the two Christmas race meetings. The space provided will make the hours of treatment much more pleasant as

## From the President Countdown

Recently the DG noted in an email that he only had “43 email days left” as DG. That is now a few less as time has passed. I have been heard to say that I only have “a few meetings, one Board meeting and several hours to go” before I finish my term as President.

Both of us are factually correct but personally as I have thoroughly enjoyed my year and the opportunity to assist the Club with a few projects, I will be sad to pass over the ‘chain’ and ‘gong’. The experiences, the people I have met and worked with, the team I have led, and the chance to learn more about our Club, District and Rotary has been amazing. **I thank everyone for the opportunity and support.**

At our first Board meeting I highlighted five personal objectives for my year and have reported against each of these each month. One of them was **Succession Planning**. This is to make sure that we have people coming through the Club who give their skills as a leader at some point in their Rotary life. The RLI Course starts this process and I am pleased that so many of our members are becoming ‘graduates’. To know so far in advance that we have a President Elect Designate (*Using Rotary lingo*) has been exciting. To have new people coming onto the Board again is pleasing and to know that members wish to continue to develop an area of interest must help Vere with her plans.

As I Countdown, I ask you to also Countdown to when you may serve. At the AGM for the 2016-17 team accept the offer to serve if nominated-you will really enjoy the opportunity.

## Look what we have...

Just arrived is our new marquee which will be used at various events. We are hoping to have a ‘new’ BBQ trailer as well! So with the van, the marquee and the trailer our catering at events will be well organised. Thank you to the District for their \$500 Grant. The marquee will greatly assist in promoting our Club.
