Meeting 2738

55th Birthday party

I enjoyed the evening and I hope you did too.

It was designed to be a Party with some fun, the chance to meet old friends and the opportunity to just enjoy the fellowship which has been built up over 55 years.

I was delighted that we had 50 people present - a great gathering. A number of Charter Members were represented by their widows, and to have former Presidents attending was pleasing. The new generation -our Interactors being present was special –they can represent us in 45 years time at our Centenary!

The messages from Joe, Ron and Maureen were excellent and they all fitted together to give an informative overview of decisions and events that happened so to shape our Club. I think that it is good to have a modern outlook and be a progressive Club, but we also need to know where we have come from and appreciate what we have inherited.

Thank you for the gifts which were brought to the party. I hope you received something novel and maybe a little different to take home.

One party to go- our Changeover.

Please come and make sure we have a great welcome for the new Rotary year and that we see this one out with a real celebration for you did **Light Up Rotary** this year.

From the President Recognising members

A feature within our Strategic Plan

This year we have seen so much happen within our Club. I hope that you agree.

In our Strategic Plan we have a point which encourages us to recognise individuals for their service. At last year's Changeover this happened with Paul Harris Fellowships being given to David Harding and David Ashford. At our Christmas Party we did the same - we recognised the years of service of Maureen and John Law.

The District has called for nominations for their various awards and recently they have asked that we try to make sure the nominees are at the District Changeover to be acknowledged so I announced our nominees at our celebration.

It was my pleasure to forward some weeks ago nominations from our Club under International (Peter) and Community (Vere) for Districts consideration. I thank these two dedicated Rotarians for all that they have done this year and in the past. It is also great to know that Jayden and Frances have been nominated for the new Interactor of the Year award.

Having others think that your service is valuable is great, and winning would be icing on the cake but we all really do what we do to serve others not for awards.

I do not have an award for everyone but I do wish to recognise each of you for what you have contributed to this Club this year.

Thank you... for your efforts and service.
