A new friend brings an idea...

Rennis addressed the Club about his
Friends of Rotary project which has seen
over 40 businesses partner with his club.

He kindly left a presentation and recourse
materials for us to consider as we build our
community base.

The concept fits in with our new Theme of *Be a
Gift to the World* and the Board may consider
these ideas as part of its Membership Drive as a
Club in Singapore has done!

Thank you Rennis- stay in touch & safe travels.

Meeting 2739 Club Assembly- new Action Plans 2015-2016

I cannot believe that we are already in Changeover week. First there will be Moruya, then Narooma, then District and finally us! While I have joked that there are only a few meetings to go, the year has been such fun and thoroughly enjoyed -certainly by me, and I hope by you too as we tried to **Light Up Rotary.**

This week we heard of the plans for our next year. We are certainly well prepared and ready to go! As several commented we are going to be very busy and we are going to be contributing much to our local community and to others overseas so to **Be a Gift to the World.**

Well done to Vere and her team on the excellent preparations and we look forward to supporting you.

I was pleased to announce our financial support of two further projects with the Board contributing \$5000 to the Asha Foundation for classrooms in Nepal and \$300 to a "Days for Girls" health project supporting women and girls in Nepal. These donations are added to the others we have made as this year finishes. And, we still leave a very good fund for the incoming Board so their work can start straight away.

Thanks to Val for her donation which supports the "Day for Girls" project.

From the President Out they go... Final Board meeting held.

What a group!
Not only do they take a great photograph... but they also do great work for Rotary, and for our Club.

I have been blessed to lead a Board which has blended experience and 'youth' over this year and could not be more grateful for all that each of them has done. The range of projects completed will be listed in the Annual Report and it is extensive. Thank you to each member for their leadership of the Club as they tried to **Light Up Rotary.**

I was fortunate to have Hugh, Neil and Bruce serve as Directors and I thank each of them for their knowledge and wisdom. Also to Peter and John who were new, your contributions brought long standing Club projects to completion- Thanks so much.

The gavel now passes to
